TEA MENU

Women's Day

ENGLISH BREAKFAST

A full-bodied, robust, and rich black tea blended to go well with milk and sugar, in a style traditionally associated with a hearty breakfast.

ORANE PEKOE

From the misty mountains of Ceylon's finest tea gardens comes this exquisite tea. A golden colour tea with an enriched infusion to make this one of the world's finest.

DARJEELING

Grown in the foothills of the Himalaya's, Darjeeling tea has a distinct but delicate flavour, and often referred to as the 'Champagne of Teas.' Has a yellowish-brown cup colour. This tea is lighter and less astringent than most black teas, but more layered and complex than most greens.

EARL GREY

A versatile Ceylon Black Tea enhanced with Bergamot essence, brews up a distinctive, delicious flavour keeping the original characters intact of this fine brew.

SENCHA

Sencha Green Tea is characterized by its mellow, pleasant flavour and rich yellow colour, achieved by gently steaming the leaves immediately after picking. Smooth and mild, this healthy brew can be consumed all day through.

RASPBERRY & ROSEHIP

A mélange of pure Ceylon Black Tea, rosehip and raspberry, the perfect healthy drink. Best known for its high content of Vitamin C.

MASALA CHAI

Inspired by an Indian practice, this is an aromatic blend with rich, natural spices such as cardamom, cinnamon, nutmeg, and ginger together with pure Ceylon black tea. This tea will take you through a celebrated journey of an old-world charm.

MOROCCAN MINT

This aromatic, refreshing Ceylon Green Tea comes with the goodness of Moroccan spear mint. A refined palate cleanser which will guide you through each course of your meal leaving you refreshed all day long.

WHITE MOON

With the ancient Chinese tradition of Oolong Tea, comes this delightful blend of Milk Oolong Green tea with a distinct silky texture. The milky sweet aroma will leave you content with a smooth and sweet lingering taste. Ceylon green leaf tea blended with other origin green leaf tea Milk Oolong and flavour milk.

CREAM FANTASY

A delightful experience of a special green tea masterfully blended with the sweet, subtle flavours of berries and cream. The fruity flavour of strawberry lends this tea a sweet aroma and generous flavour, which can be appreciated either warm or cold.

FROSTY AFTERNOON

A warming tea drinking experience specially designed to invigorate your senses. 100% pure Ceylon black tea from the lower elevations of Ceylon with flavours passion fruit and orange.
